

## **Consulting and Technical Support Services**

**Capacity Building.** Over its 26-year history, NPCL has gained a well-earned reputation in providing a variety of consulting and technical support services to the Federal, State, and local social, human, and health service agencies and community-based organizations. These services are customized to meet various agency needs, including agency capacity building to implement evidence-based services to fathers, mothers, and youth. NPCL's evidenced-based curriculums in fatherhood, motherhood, co-parenting, and youth development provide the foundation for effective planning and implementation of programs at the Federal, State, and local levels.

**Program Evaluation.** In addition to capacity building, NPCL delivers proven and effective evaluation services based on scientifically validated evaluation practices.

**Technical Assistance.** NPCL has a long-standing history of providing technical support for federal, state, and local parenting and youth development projects as a proposal and grant-writing technical advisor.
